NATIONAL DAY
OF FASTING FOR
MMIWG

June 20, 2021
12:00am - 11:59pm

CAAN invites all Canadians to join us in a National Day of Fasting in recognition of Missing and Murdered Indigenous Women and Girls (MMIWG).

Over the past year, the Fireside Chats have provided a virtual space for people to gather, learn, and share about all of the amazing research with Indigenous women living with HIV (IWLWH). This has been a space for IWLWH to share their stories and wisdoms.

"The National Inquiry's Final Report reveals that persistent and deliberate human and Indigenous rights violations and abuses are the root cause behind Canada's staggering rates of violence against Indigenous women, girls and 2SLGBTQQIA people."

Missing from the conversations around MMIWG is the living and lived experiences of IWLWH. On June 20, 2021, please join us in honoring those voices by taking part in a National Fast.

Join CAAN and our partners across the land as we "Fast in unity for Hope and Change" starting June 20th for a 24 hour period
