RELEASE DATE :

OCTOBER 21, 2022

Indigenous AIDS Awareness Day (IAAD) Indigenous AIDS Awareness Week (IAAW)

CAAN Communities, Alliances & Networks is once again proud to support and honour Indigenous AIDS Awareness Day (IAAD) and Indigenous AIDS Awareness Week (IAAW), both kicking off on December 1, 2022, live from Ottawa and virtually across Turtle Island.

IAAD and IAAW will move forward with our theme, **One Vision, Many Paths**, by shining a light on many topics, including HIV/AIDS, MMIWG2S, UNDRIP, gender-based violence, HIV self-testing, Indigenous Ways of Knowing and Doing, and more.

Join us as we collaborate with Indigenous organizations across the land to bring exciting content, and a call-to-action to **YOU!**

Visit www.caan.ca, and CAAN's social media as we release more details in the coming weeks!
